Description

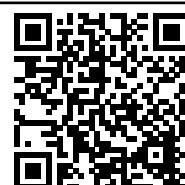

A stunning, fine and impressive pair of antique 61.88 carat amethyst and 9 carat yellow gold earrings; part of our amethyst jewellery collection. These stunning, fine and impressive antique earrings have been crafted in 9ct yellow gold. Each earring displays a collet set oval cut amethyst, totalling 61.88cts. The earrings, for pierced ears, secure to the reverse with a hinged latch clasp. This pair of antique amethyst earrings has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9 carat gold. This impressive pair of antique amethyst earrings in gold are supplied with an IDGL gemstone grading report card. Such exceptional hand-crafted earrings are rare to the market. These large amethyst earrings in gold are bold yet elegant statement pieces, celebrated for their rich purple colour and confident presence, making them particularly well suited to evening wear and special events. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual colour and showcases each stone. Condition: These antique drop earrings are excellent quality,...
