Description

A stunning, fine and impressive, antique natural blister pearl and 0.13 carat diamond, platinum dress ring; part of our pearl jewellery collections. This stunning, fine and impressive blister pearl ring has been crafted in platinum. The finely crafted pierced decorated setting is ornamented with a large claw set feature natural blister pearl. The elevated ring shoulders are ornamented with six diamonds, in a combination of Old European and eight cuts. The shoulders integrate with the main setting and blend seamlessly with the engraved ring shank. This natural blister pearl and diamond ring is hallmarked with the platinum mark (PLATINUM); the piece has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive antique dress ring is supplied with an IDGL diamond and gemstone grading report card. Such finely hand-crafted period rings set with an impressive blister pearl are becoming increasingly difficult to locate. This antique blister pearl ring in platinum is a striking and individual piece, defined by the natural formation and unique surface of the blister pearl, making it ideal for those who appreci...
