Description

A good example of a 18th Century Delft vase which has been converted to a table lamp. The vase has an octagonal foot and short neck and is beautifully decorated with traditional blue and white Dutch scenes. It is a good quality piece and has been mounted to a wooden base. It has been rewired to modern standards to take a standard bayonet bulb and is in working order with a valid PAT test certificate. The vase has suffered some damages over its life and there are some hairline cracks and a lovely stapled repair to the neck but it still displays beautifully. Approximate Dimensions Height : 16" (41 cm) Width : 8" (20 cm) Base Diameter : 6 3/4" (17 cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
