Description

A very stylish and extremely well made pair of Swedish Art Deco armchairs in leather and satin birch. They were recently imported from Sweden, they date from the 1930's, The quality is outstanding, they are well sprung and very comfortable. The satin birch frames wrap around the entire sides and backs, they are very sturdy and robust chairs. The satin birch has an exquisite colour tone and stunning grain patterns. We have had the frames stripped and re-polished to a very high standard, they were re-upholstered fairly recently in a cream leather with black piping. The condition is excellent, with just some minor wear and a few extremely faint marks to the leather here and there, seen in the images.
