Description

This truly remarkable perfume bottle is in superb condition and would be a delight for a serious collector. The bottle is made from clear glass, and it has been beautifully hand cut and polished in a shaped octagonal design with the central body having raised panels overlaid in green glass. The whole perfume bottle and fitted stopper are beautifully hand decorated throughout with finely worked intricate designs, pinlining and borders in high fired gold leaf, which shows almost no signs of wear and handling. Bohemian, circa 1890 Height 18cm x width 6cm x depth 6cm
