Description

Antique 1920s Syren pocket watch and chain. The watch has a good quality Swiss stem-winding movement which is working well. The movement is signed Syren and has jewelled pallets and a snail cam micro regulator. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The company manufactured cases for various watch makers. The case is in lovely condition, as is the glass lens. The white enamel dial is in lovely condition and it has its original blued steel hands. The watch comes with a single chain, 21cm long. The watch and chain come in a new presentation box.
