Description

A good example of a vibrant green glass vase dating from the late 19th Century. It is beautifully decorated in the Mary Gregory style with white enamel painted cherubs and flowers. It is in very good condition with no major damages or restoration. Some light surface marks on the base through wear and some very small nibbles around the rim but nothing detrimental and it displays beautifully. Approximate Measurements : Height : 9" / 23cm Top Diameter : 3" / 8cm Base Diameter : 3 3/4" / 9.5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
