Description

A lovely oak letter box dating from the early 20th century. It has a letter slot on the top and a glass viewing panel on the front. It's a good quality piece with inset panels and chip carved detail on the corners and it comes with a working key. It is in good original condition and has a lovely patina. There are some general signs of age and use, some minor marks and knocks but no major damages and it displays well. It has been cleaned and lightly polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
