Item Reference: SA1197653**Date of manufacture: 1870**

Dimensions

Height = 315 cm (124.0")

Width = 310 cm (122.0")

Description

Antique carpets with a great look do not very often come square. This lovely, vivacious example from North West Persia is probably 150 years old and yet bubbles with colour and an unaffected energy through the field of flowers. What a joy. In good condition showing light wear and minimal repair. 10'2" x 10'4"
