Description

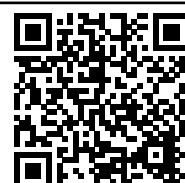

A stunning, fine and impressive antique 2.17 carat diamond and platinum trilogy ring; part of our collection of diamond jewellery. This stunning, fine and impressive diamond diamond trilogy ring has been crafted in platinum. The pierced decorated antique ring setting is embellished with a claw set 0.88ct transitional modern brilliant round cut diamond. The central stone is flanked with a 0.66ct and 0.63 transitional modern brilliant round cut diamond, claw set in a vertical trilogy arrangement. The elevated ring, pierced decorated shoulders integrate with the claw setting and blend seamlessly with the plain platinum ring shank. This platinum trilogy ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive diamond ring is supplied with three IDGL diamond grading report certificates. Such high coloured diamonds in a finely crafted, low setting are becoming increasingly difficult to locate. This antique 1920s 2.17 carat diamond trilogy ring features the traditional past, present, and future symbolism, making it a meaningful choice for engagements, anniversaries and significant relationship mil...
