Description

For offer is a beautiful Knobby Vase made by Rozenburg in The Hague in the Netherlands. The material is Earthenware and the model 755 is in the Art Nouveau style. The year letter H is 1892. An unusual and delightful piece. The vase is in beautiful condition and barely used with only minimal signs of aging & wearing. It has the tiniest of blemishes on the top edge which can hardly be seen with the naked eye but I point out for transparency and the photos magnify, It definitely doesn't detract from the vase.
