William IV Mahogany Tray-Top Side Table c.1830

Price

GBP 2,300

| USD \$3,106 | EUR 2,690

Item Reference: SA1197721

Date of manufacture: 19th Century

Description

A fine William IV mahogany side table featuring a distinctive rectangular tray-top design. Crafted from mahogany, this elegant piece presents a sophisticated silhouette well-suited for a living room, library, or grand hallway. The table is raised on a finely carved and elegantly decorated central column, terminating on four shaped legs with original brass ball feet. It presents beautifully as an excellent showroom piece, retaining its deep, historic finish. Dimensions: * Height: 75cm * Width: 51cm * Depth: 35cm

Internal Ref: 071
