Description

This is unusual - a solid sterling silver novelty pin cushion, fashioned as a goblet or chalice. It is hallmarked on the side of the main body for Birmingham, possibly 1919, although the date mark is somewhat rubbed. The maker's mark is for E J Houlston Ltd. It looks to be the original cushion, slightly faded around the edges. It stands well on a quality leather base and has a few small dings around the body, but nothing more than one would expect from an item of this age. Dimensions: Height: 5cm Diameter of top: 4cm Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
