Description

This is a high quality item: a glass travelling medicine bottle with a solid sterling silver cap. The silver is hallmarked on the front of the cap for Sheffield 1909 with the maker's mark of James Dixon & Sons Ltd. The hinged top needs a turn to open. It is lined with cork and carries two extra hallmarks. The flattened bottle is impressed with a horizontal line, separating 1 and 2 Table Spoons measures. Understandably, it has a slight wobble when standing. Can't help thinking of Mary Poppins... Dimensions: Height: 9cm Width: 6.5cm Depth: 2cm. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
