Description

This is one of a series of solid sterling silver taper or candle stick holders created by the silversmithing partnership of Saunders and Shepherd. This one is hallmarked for Chester 1905 and features a young girl holding a doll, complete with plaits, a bow and a hat. Her belt, fanning out behind her, forms the handle to the chamberstick. The detailing is crisp, as are the hallmarks. The actual taper/candle holder is a little bent and squashed, but still perfectly serviceable. Dimensions: Diameter of base: 4.5cm Height: 5cm Width: 5cm. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
