## Description

A wonderful antique Georgian period walnut side table. This was made in England, it dates from around 1800-1820 period. It is a lovely size and is full of character. The walnut has a gorgeous colour tone and a lovely patina, with some small surface marks here and there beneath the polish. There is a single drawer with a brass handle, it stands on beautifully turned and fluted legs. This has a nicely polished back, so it can be used as a free standing item. We have had this re-polished and revived, it is in good overall condition and structurally sound, while retaining some original patina. Width – 18 inches , 46 cm Depth – 17 inches , 43 cm Height – 28 inches , 71 cm
