Description

Gents 1960s Garrard wrist watch. The watch has a Swiss Peseux 17-jewel hand-winding movement which is working nicely. The watch measures 32.5mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in good condition with just the odd minor mark, nothing serious at all. The stainless steel case back has a long service inscription from Leyland Cars. The lens is in good condition (some natural light reflection showing in the photo). The dial is signed with the name of the original retailer, Garrard. It is in its original finish with original hands. Garrards was founded in 1735 by George Wickes. They designed, manufactured and retailed luxury jewellery, silver and watches. The company is still trading today and as well as having their headquarters in Mayfair, London, they also have a presence in Harrods, London, Geneva, Lebanon, Qatar, Dubai, Moscow and Hong Kong. Garrard was the Crown Jeweller of the United Kingdom, charged with the upkeep of the British Crown Jewels from 1843 to 2007. A new leather strap has been fitted. The watch comes in a Garrard presentation box.
