

SA1198379

Set of Four Shropshire Farmhouse Chairs c.1800

Price

GBP 500

| USD \$675 | EUR 585

Item Reference: SA1198379

Date of manufacture: 1800

Description

With a lovely colour, a set of four early sturdy chairs in elm and ash and with shaped spindles, well turned double front stretchers and attractively grained solid seats. Some small losses, some old worm holes (long since treated and dead), natural wear and marks consistent with their age. A very attractive and early country set of chairs. Dimensions are: 35.5 inches high, 15 inches deep 17.5 inches wide. Floor to seat is 16.5 inches.
