Description

Antique 20th century fine quality stacking cabinet in oak, a very well-made and beautifully crafted example of period furniture. This unique piece features a glazed cupboard to the upper section with a single internal shelf, providing display space while protecting contents. The centre of the cabinet includes two additional glazed compartments, with four drawers to the base, all retaining their original brass handles and fittings. The cabinet is raised on splay feet, giving it stability and a refined profile. The oak displays gorgeous grain and rich colour throughout, highlighting the quality craftsmanship and attention to detail. Presented in great condition, this is a highly desirable and versatile example — a perfect addition to any home, combining practicality with elegant design.
