Description

Antique 20th century pair of chest of drawers in oak, very well made and of good quality. Each chest features three drawers to the front, fitted with original brass dropper handles, with subtle decorative detailing to the upper drawer front adding elegance and refinement. Both pieces have a raised gallery to the top and stand on square legs with small casters, combining stability with practicality. The oak displays gorgeous grain and warm colour throughout, highlighting the quality craftsmanship and natural beauty of the timber. A very desirable example, rare to find a matching pair, presented in good condition. Perfect addition to any home, offering both functionality and classic style while making a striking decorative statement. Product Reference : AF - 5242 Measurements : 101cm Width x 43.5cm Depth x 90cm Height [79cm Worktop Height] All our products are available for viewing at our stockroom based in Malvern strictly by appointment only.
