Description

A large and impressive Victorian Oak and Mahogany chest of drawers. The chest is arranged with two short over three long graduated drawers all fitted with turned wooden knobs. The drawer fronts are framed by turned and ringed columns. The timber combines oak and mahogany, with a warm, mellow tone throughout. Item Reference: M-6718. Dimensions: Height - 127cm/ Width - 121cm/ Depth - 57cm. CONDITION REPORT: The chest is in good antique condition, with wear consistent with age and use. The drawers all open and close well, and the chest remains structurally solid and sound. There is a split to the left-hand side; however, this is not structural. Overall, a lovely example. Our experienced carpenter carefully inspects, repairs, and restores each item in our collection to ensure it is fully prepared for use in your home. To ensure a clear and accurate understanding of each item's condition, we ask that you carefully review all provided photographs. These images form an essential part of the description and condition report, offering important visual details regarding the item's appearance and quality.
