Description

Omega Seamaster – Ref. 2577-6 – Honeycomb Black Dial – Cal. 351 Bumper – Automatic – 1950 A rare beast indeed – this Omega Seamaster Ref. 2577-6 stands out thanks to its striking honeycomb black dial with gold indices and hands, offering a unique and distinguished vintage aesthetic unlike most 1950s and 60s Omega dress watches. An early automatic Seamaster that truly showcases the brand's engineering mastery of the era. Case & Dial 35mm stainless steel case Smooth stainless steel bezel Rare honeycomb-pattern black dial Gold baton hour markers Gold Dauphine hands Omega-signed stainless steel crown Original steel screw-back case A stunning and unusual dial execution with exceptional preservation Movement Omega Calibre 351 "bumper" automatic movement Dated to 1950 by serial range Running in fine working order following workshop inspection A historic early automatic calibre highly prized by collectors Strap Generic black leather strap Stainless steel buckle Very minimal wear Condition Left unpolished to retain originality Cleaned only, showing natural light ageing and vintage character Honeycomb dial in incredible condition – very few marks Crystal scratch-free Case shows...
