Description

A wonderfully characterful early 20th century Art Deco console table, clearly lived in and used as an artist's working table. The solid timber top retains its original patina and historic paint splashes, a beautifully authentic surface that tells a story of decades of creative use. The layered marks and colour traces give it a depth and honesty that simply cannot be replicated. Raised on twin geometric supports with a black painted plinth base, the form is unmistakably Deco with architectural, clean-lined and well balanced. Ideal as: An artist's studio table Creative workspace Hall console with character Retail or gallery display Structurally sound with strong, sturdy construction.
