Description

A wonderful oil on mahogany panel depicting sheep. The work is very much in the manner of the famous Belgian animal painter Eugene Verboeckhoven (1708-1881) with the sheep superbly observed in great detail and set in a similarly detailed landscape. The painting is in excellent untouched condition and does have an unidentified monogram signature to the lower right. The painting retains the original gilt frame and the whole is in excellent condition. This is a fine example of animal painting of the nineteenth century in the realist tradition. C.1860. Overall sizes in inches including frame: 11 ½ by 10
