Description

In lovely condition and superb quality this set of 19th Century Balloon back dining chairs were restored by us a number of years ago and have been really well looked after by their owners. Still in almost showroom condition they seem to have been used with great care. The seats are very clean and upholstered in a neutral fabric, the polish work is excellent. These Mahogany chairs sit on a well detailed turned front leg and are ready for a new life elsewhere. In this condition and of this quality they are very keenly priced. We have tables available to suit too. Give us a call to discuss 01565 8740754
