Description

For lovers of this breed: a charming and lively BRONZE of a DACHSHUND in lovely condition having acquired a fine warm patina. It depicts the dog in an alert pose, with tail curled and is set upon its original white marble base. Although unsigned, this is beautifully modelled and finely cast, with great attention paid to every detail. ** The dachshund (sometimes unflatteringly called a "sausage dog") emanates from Germany where it was originally bred for badger-hunting. They are lively, clever and courageous making loyal, intelligent and popular family companions. NB.*** Please note that this pretty bronze is not on view in the shop; for further details telephone 07860 818212 or e-mail in the normal way.
