Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 9ct yellow gold case and is fitted to a beautiful solid 9ct gold bracelet which simply glides around the wrist and really shines when you catch it in the light. Mint throughout the watch looks almost unworn. The fold over double safety clasp is tight and secure. The original dial is in wonderful condition and just stunning. It has a facet cut sapphire crystal glass which adds to the sparkle. It has the Omega logo on the winding crown and the clasp. It has the calibre 481 manual winding movement. It will fit a maximum wrist size of 6.25 inches or 16cms but this can easily be reduced by any competent jeweller. The case and bracelet have been ultrasonically cleaned and polished so it is absolutely pristine. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. It comes complete with its original Omega clam shell box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has that under...
