Description

This is a particularly rare Art Deco period set. The two chairs are a bold design with high quality frame and generous sizes. They also have beautiful melon legs which continue through onto the matching stool which is more often than not split from its original set over its life. These are extremely comfy and also hugely decorative. Measurements: Chairs- Height 86cm Width 87cm Depth 82cm Depth of seat 50cm Height of seat 39cm Footstool- Height 40cm Width 69cm Depth 72cm (On our website) If you would like these chairs and stool upholstered please click yes in the upholstery drop down menu. These would require 14 metres of material (6m per chair plus 2m for the stool). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday.
