Description

An 18th-Century oak longcase clock by Paxton of St Neots. The 12 inch painted break-arch dial signed Paxton St Neots with Roman numerals. The eight day two train movement striking on a bell. A superb oak case with inlaid shell paterae and swan neck pediment. All in good working order. John Paxton was a documented watch and clock maker located in St Neots in the early 18th Century. The business was continued by his son Joseph. Delivery to most of the UK included in the price. Worldwide shipping arranged, Wherever possible, we personally deliver items to ensure they arrive in excellent condition and that you are completely satisfied with your purchase. We offer a 14-day returns policy for your peace of mind. If you are not fully satisfied, you may return the item for a full refund. Please note that return shipping costs are the responsibility of the customer.
