Date of manufacture: 19th Century

Dimensions

Height = 37 cm (14.6")

Width = 75 cm (29.5")

Depth = 65 cm (25.6")

Description

A sophisticated and useful piece of furniture, of serpentine and concave form. It would work well in a traditional drawing room setting, or master bedroom. However with a different cover it would add style to a more relaxed living space. Structurally sound, some typical losses to the surface gilding around to the extremities. Upholstery with the odd isolated mark, braiding missing to the lower edge. Reliable transport throughout the UK can be easily arranged at cost price.
