Description

A superb Victorian polished oak banjo barometer and thermometer with porcelain dial by Lloyd Payne & Amiel of Manchester in full working order c.1885. Leaf carved decoration to the solid oak slim proportioned case with leaf and flower crest to the top, turned mount to the dial and a smaller crest at the base to complement the top. Aneroid movement sat behind a porcelain dial with ornate script and coloured lettering to the weather predictions, which are sat around the dial edge. Polished brass bezel with thick bevelled edge glass to the viewing window and centre reading marker sat over the top. The original mercury action thermometer with matching porcelain scale to the barometer dial. Presented in immaculate condition with superb colour and patina to the case; fully serviced and working. Keep up to date via Instagram - sturmansantiques. Measures 35" long x 10" wide x 3" deep. Postage and packing cost (tracked and insured) for this item is £27.00 for mainland UK. Please contact us for delivery abroad.
