Description

An impressive and very well made antique mahogany grill front sideboard in the classic Georgian style. This was made in England, it dates from around the 1930's. The quality is outstanding, this is beautifully designed and is a very useful piece of furniture. There is lots of storage space inside, this is low and wide yet not too deep and imposing. There are two fixed shelves in the central cabinet, the two side cabinets also have adjustable shelves. There are brass grills on the outer doors sitting on brass mesh panels, the panels on the central doors have stunning flame mahogany grain patterns. We have recently had this re-polished, the condition is excellent for its age. Width – 67 inches , 167 cm Depth – 14 inches , 36 cm Height – 35 inches , 89 cm
