Description

Large Heals Antique Oak Tilden Dining Table. A super quality, solid oak large dining table by Heals of London around 1920, part of their Tilden range of furniture. This Heals antique dining table is a large size and has a thick oak table top upon four, gun barrel turned oak legs that finish on sledge feet that are joined by a central flat stretcher. The Heals table base has large supporting corbels that are mirrored on the feet. In excellent clean condition, seat eight easily. Would make a great Heals desk too.
