Description

Early Heals Antique Oak Chest of Drawers A very good quality solid antique oak chest of drawers, an early Ambrose Heal design, part of the St.Ives range around 1900. A lovely clean and original example that has two short drawers over three long and graduating drawers, all are cedar wood lined, run smoothly and have the original copper ring handles. An ample model that stands on chamfered legs that finish on pad feet. Quite a rare Heals model. Dimensions Height: 100cm (39.68") Width: 99cm (39.29") Depth: 50cm (19.84")
