Description

A stunning, fine and impressive antique Edwardian 1.80 carat aquamarine, 0.25 carat demantoid garnet, pearl, 0.30 carat diamond, 14 carat yellow gold and 9 carat yellow gold set pendant; part of our Edwardian jewellery collection. This stunning, fine and impressive antique gemstone pendant has been crafted in 14ct yellow gold with a platinum setting. The pierced decorated frame displays an impressive 1.80ct pear faceted cut aquamarine, claw set to the centre of the arrangement. The feature gemstone is encompassed with paired leaf designs embellished with pavé set mine cut diamonds, alternating with floral head motifs ornamented with impressive demantoid garnets, totalling 0.25ct. The upper portion of this festoon incorporates four impressive seed pearls. The stunning central design of this pendant is encompassed with a graduating seed pearl decorated border, accented with a diamond pale to the upper portion, creating a loop design for the pearl decorated bale. The pendant suspends from an 17' 9ct yellow gold chain via a bifurcating loop to the reverse of the hinged bale. This stunning pendant has been independently tested using state of the art technology (Niton XL...
