Description

Hi I have for sale a 1920s German solid mahogany? mantle clock in very good condition for the age with full Westminster chimes. The Case The case is in a stained mahogany and stands 38cm high x 27cm wide with a depth of 17cm it is in very good original condition had a lot of wax over the years , it has a thick bevelled glass front door. The Dial The dial is in very good condition white enamel , with the original ornate hands which are original to this very old clock. The Movement The movement is an eight day striking the quarters on eight gong rods the Westminster chime and full chime on the hour, the clock still retains the original key and pendulum. Overall a very nice clock quite rare in this original condition that will look great on display. I will post worldwide.
