Depth = 20 cm (7.9")

Description

Hi I have for sale a massive 1920s German solid mahogany mantle clock in very good condition for the age with full Westminster chimes made by Junhans of Germany. The Case The case is in Mahogany and stands 46cm high x 31cm wide with a depth of 20cm it is in very good original condition. The Dial The dial is in very good condition silvered , with the original ornate hands which are original to this very old clock and also two top smaller dials for fine adjustment and chime/silent. The Movement The movement is an eight day striking the quarters on eight gong rods the Westminster chime and full chime on the hour and has the original key and pendulum. Overall a very nice clock quite rare in this original condition. I will post UK Only.

Internal Ref: Large WMC
