Description

Hi I have for sale an 1890s French carriage clock; the clock case and movement have been fully restored ultrasonic cleaned and the movement re-built oiled run and tested and the platform escapement fully cleaned and serviced so a few Hundred pounds saved against a cheaper clock. This is a genuine French enamel carriage clock not a modern reproduction or China copy if you are looking for one of those there are plenty on EBay to choose from. The Case The case is in the art nouveau style in solid brass and stands 16cm high x 9cm wide with a depth of 8cm it is in perfect condition with mint bevelled glass front and top/side viewing glass. This case has the enamel painting on all sides. The Dial The dial is in original condition painted porcelain with Roman numerals painted enamel simply beautiful and in great original condition this clock would have cost a small fortune when new a lot of work has gone into the dial it is a real work of art., the clock also retains the original black moon hands. The Movement The movement is an eight-day repeater so strikes the hours and halves plus has the top repeater, the movement has been fully ultra sonic cleaned, new spring added th...
