Description

An attractive Edwardian pine washstand. The piece features a central mirror flanked by small shelved compartments with decorative pierced detail and turned finials. The base is fitted with two drawers and stands on turned legs with castors, united by stretchers. A charming and practical piece. Item Reference: M-6686 . Dimensions: Height - 151cm/ Width - 106cm/ Depth - 52.5cm / Surface Height - 73cm . CONDITION REPORT: In good antique condition overall, with wear consistent with age and use. There is minor historic woodworm visible to the frame, which is long gone and has been treated as a precaution. There are marks and staining throughout; however, this does not detract from the overall appeal of the piece. The structure is sturdy and sound. Overall, a decorative and practical piece.
