Depth = 7 cm (2.8")

Description

Hi I have for sale a French striking carriage clock made in France around 1870;s simply stunning brass engine turned mask housing the dial with Roman numerals. The clock is in stunning condition still fully gilded. The Case The case is in solid shiny gilt brass and stands 16cm high x 9cm wide with a depth of 7cm it is in perfect condition with mint thick 3mm bevelled sides/front/ and top viewing glass. The case is very shiny and hard to photograph they do not do the clock justice at all. The Dial The dial is in original condition in white porcelain with Roman numerals, the dial is set in a stunning gilded mask which sets this clock apart from others ,the clock has very fine original black moon hands. The Movement The movement is an eight day time and strike which strikes the hours via a small sweet gong to the rear ,the movement has been serviced and oiled so keeping great time over the eight days and has the bonus of the original platform escapement. The movement has been fully has been fully serviced and is running very strong. The original key is with it. The movement contains Geneva stop work to save over winding only found on the best of the best. Overall a ver...
