Description

An outstanding antique Georgian Adam style mahogany cabinet. This was made in England & we would date this from around the 1790-1810 period. It is of extremely fine quality, with a gorgeous design. The front has lovely curves and absolutely stunning, crisp carving. There is a single locking cabinet door, this stands on tapered legs terminating in spade feet. We have had this re-polished to a very high standard, there is one small historical repair to the lower edge of the door. This is in excellent all round condition for its age. There is also a shelf inside, which we haven't shown properly, which sits in the middle. Width – 33 inches , 84 cm Depth – 16 inches , 41 cm Height – 37 inches , 94 cm
