Description

A Nice Antique Starburst Glass & Silver-Plated Serving Tray featuring five intricately cut glass dishes set into a diamond-shaped silver-plated frame with looped handles. The glass inserts display radiant starburst patterns that catch and reflect light, while the metal tray provides a striking contrast in both shape and shine – circa 1920. * Fill with ornaments, dried flowers, or treats during holidays for an eye-catching centerpiece. Measurements: Height: 2" (approx. 5cm) Width: 12 1/2" (approx. 32cm) Depth: 7" (approx. 18cm) Total weight: 1258g In good condition – Minor surface wear to the tray and faint signs of age on the glass are consistent with its early-20th century origins. All glass inserts fit snugly, and the tray remains sturdy with no cracks or chips in the glass.
