Description

Victorian Carved Oak Pedestal Desk with Green Leather Top Item Code: S27-1097 A substantial and highly decorative Victorian carved oak pedestal desk dating from the late 19th century. This impressive desk features a richly patinated oak frame with a moulded top inset with a traditional green leather writing surface, bordered with gilt tooling. The front is arranged with an arrangement of nine drawers, each beautifully carved with foliate and scroll motifs, reflecting the quality craftsmanship typical of the Victorian period. The desk stands on two solid pedestals, each with banks of drawers and bold plinth bases, providing generous storage and a strong architectural presence. The sides and rear are equally well finished, featuring striking geometric fielded panels and further carved decoration, allowing the desk to be freestanding within a room if desired. A superb example of Victorian craftsmanship, offering both practical use and striking decorative appeal. Ideal for a study, office, library, or statement interior. Key Features: • Authentic Victorian period desk • Solid oak construction with rich colour and patina • Green leather writing surface with gilt tooling • Nine...
