Description

Antique 18th century Georgian chest of drawers in oak, a very well made and fine quality example of traditional period craftsmanship. The chest features five drawers in total, arranged as two small over three large, offering excellent storage while maintaining elegant proportions. Each drawer is fitted with beautiful decorative brass handles, enhancing the character and authenticity of the piece. The chest stands on bracket feet and displays attractive stud detailing, adding further visual interest. The oak showcases gorgeous grain and rich, warm colour throughout, highlighting its age and quality. Solid in construction and highly desirable, this is a superb example that truly has to be seen in person to be fully appreciated. A perfect addition to any home, combining practicality with timeless Georgian charm.
