Description

Very good quality Georgian "plum pudding" mahogany tilt top round centre table with beautiful book matched grain pattern, a fully beaded edge and stands on the turned pedestal with four swept legs and original brass lions paw feet castors. Circa 1800. Wonderful rich colour to the mahogany, unusual for this style of table and the beaded edge is also a very nice touch of quality. Also worth mentioning is the brass work to the fixing bracket on the underside also being the original and gives a good solid feel. This will make a fabulous centre table for a large hall, but originally used for a breakfast table for 4 in comfort and a cosy 5 to 6 diners. Measurements: 28 1/2 inches or 72.5 cm high 48 1/2 inches or 123 cm diameter 26 inches or 66 cm height from the floor to the underside 60 inches or 152.5 cm total height when tilted
