Description

A handsome Victorian leather Chesterfield sofa of classic proportions, raised on ring-turned hardwood legs terminating in original brass castors. The sofa is executed in the traditional manner with generously deep buttoned upholstery to the back and arms, complemented by decorative hand-applied brass studwork. The leather has matured to a wonderfully rich antique patina, displaying the character and depth of colour that only age can achieve. Generously scrolled arms and a well-proportioned frame give the piece the timeless elegance associated with the finest Chesterfield designs, making it equally suitable for both period and contemporary interiors. Offered in good condition, with sympathetic age-related wear that enhances its authenticity and charm. A classic and highly decorative piece of English furniture. Size: Height 29" (74cm) Width 69" (175cm) Depth 32" (81cm) Seat height 17" (43cm) Seat depth 21" (53cm)
