Description

Hi I have for sale a 1890s English solid oak mercury stick barometer in perfect working order and in good original condition. The barometer was made by Negretti & Zambra, 11 Hatton Gardens, London. The Case The case is in solid oak and stands 98cm high x 9cm wide with a depth of 7cm it is in good original condition, and has a lot of wax polish, so no cracks or splits. The Dial The dial is in original condition, silvered; the barometer has the original marker/pointer, again no cracks or splits. Overall, a beautiful barometer in great original condition, this is a rare old find. These barometers from the period are going up month on month in price.
