## Description

18th Century Hand Carved Life Size Corpus Christi Skull A rare Lifesize religious artifact of which we have never seen the like. Carved from pine wood with hand painted detail. This artifact would have originally sat at the base of a large Corpus Christi statue. The top of the skull (cranium) opens to reveal a small concave space and is supported by a cast iron hinge at the rear. The base shows where it would have been nailed to the base. It's the same size of this example that makes it so unique and special. Dimensions: 6.5" H x 6" W x 7" D Origin: Unknown Date: 1790 - 1820 Materials: Gesso over wood Weight: 2kg Condition: • Worn with a deep natural patina • Missing painted sections as shown • This item is over 200 years old, please expect this in the condition Shipping & Handling: • UK delivery available via trusted couriers, including specialist services for large or fragile items • Worldwide shipping available; please contact us for a bespoke quote • Tracked, insured, and crated shipping is strongly recommended • Dispatch within 3-5 working days unless otherwise stated Guarantee: We are committed to transparency and quality. All items are carefully described and...
