Description

Equine Sporting Work of Art Oil Painting Horse & Riders Polo Match. A striking large original oil painting depicting a polo match, signed by the artist and dated '78. The composition features four riders on dark horses mid-play, their mallets raised, captured with expressive brushwork and a minimalist background that emphasises movement and energy. The painting has a modernist, semi-abstract style, with simplified figures and bold contrasts between the deep tones of the horses and the light, atmospheric background. Players in navy and orange jerseys provide strong visual highlights across the scene. This large vintage artwork captures the speed and rhythm of polo, with the horses shown in powerful motion and the riders leaning into the action. Its wide horizontal format makes this painting ideal as a statement piece above a sofa, desk, or fireplace, particularly in country houses, equestrian interiors, or spaces looking for striking vintage art.
