Description

A stunning pair of antique Swedish satin birch marble top bedside cabinets. They were recently imported from Sweden, they date from around the 1890-1910 period. The quality is superb, they are beautifully designed and are a useful size. The satin birch has gorgeous grain patterns and colour tones, contrasting nicely with the original cream marble tops. The doors have stunning inlaid marquetry designs, with lovely typical Art Noveau handles on the doors and drawers. We have had them stripped and re-polished to a very high standard, they are in excellent condition. There is just some incredibly minor wear to the marble tops, with no chips or cracks. Width – 16 inches , 40 cm Depth – 16 inches , 40 cm Height – 30 inches , 76 cm
